

“International Seminar on Institutional Arbitration and On line Dispute Resolution Techniques”

14-15 December 2011, at India Habitat Centre, New Delhi

Organized by

Construction Industry Arbitration Council

(A body established jointly by Singapore International Arbitration Council & Construction Industry Development Council)

Supported by

As Part of

17th Asia Construct Conference & Exhibition 2011

PARTICIPATING COUNTRIES

With a view to providing a focus on the emerging trends in International Arbitration, the Construction Industry Arbitration Council (CIAC) under the patronage of Construction Industry Development Council, India (CIDC) will be organizing a “International Seminar on Institutional Arbitration & Online Dispute Resolution Techniques” from 14-15 December 2011 at New Delhi. This Seminar will deliberate on the Institutional Arbitration and online dispute resolution techniques and will also focus on best practices in this area and presentation of case studies on the conference topics.

- The comparative advantages of institutional arbitration and ad-hoc arbitration
- UNCITRAL Rules - Yesterday, today and tomorrow
- Proposed Amendments to the Arbitration Act 1966
- Post Award Delays
- Dispute Resolution mechanisms
- Legal issues in context of online Dispute Resolution
- Online Dispute Resolution and its Significance for international commercial Arbitration

Online Dispute Resolution is likely to present a convenient platform for a large number of SMEs and individuals to pursue their claims online and get a binding decision in a cost efficient and less time consuming manner. It may assist in the Government's and the Judiciary's mandate for speedy resolution of commercial disputes. This Conference aims to explore the embedded opportunities and threats for ODR in the Indian Economy.

We invite your active participation in the Seminar through Sponsorship, Paper Presentation / Case Study, Booking of Exhibition Space.
