About CIAC

Construction Industry Arbitration Council (CIAC) is an independent, not-forprofit institution headquartered at New Delhi, to provide an Institutional Mechanism for the resolution of disputes arising in the Construction and Infrastructure Sector in India.

CIAC was established in the year 2006 by a joint collaborative agreement between Construction Industry Development Council (CIDC) and Singapore International Arbitration Council (SIAC).

CIAC, as it is popularly known, is the Prime and Prestigious Arbitral Institution in India which focuses on Infrastructure and Construction Disputes' Resolution. CIAC has been granted a special observer status by the United Nations Commissions on International Trade Law (UNCITRAL).

CIAC has a panel of over 200 independent Arbitrators and Mediators.

Program Objectives:

The CCP Certified Arbitration Program is designed to equip participants with in-depth understanding of various aspects of disputes resolution through Arbitration such as Contractual and Commercial Disputes; Arbitration practice and Procedure; National and International Legal frameworks, besides focusing on Infrastructure & Construction Sector.

The program is designed to offer skill, upskill and reskill the participants in accordance to their professional requirements so as to enable them to keep pace with the ever-growing complexities in the domain of Commercial Arbitration; Mediation and Conciliation.

The program envisages engagement of participants with heterogenous group of participants which provides the peer-learning opportunities for development of holistic perspective of subject knowledge and career advancement.

Advantages To The Participants:

On successful completion the participants will be able to advance their careers in the areas of Tribunal Management; Claims and Quantum analysis; Contracts Management; Delay and Disruption Quantifications; Techniques of Negotiation, Mediation and Conciliation; Procedure of Arbitration; Drafting Settlements and Awards etc.
